

Combination packages

If you don't want to build your own stand, let us take care of everything for you! We will provide a stand-building concept that meets your needs. We can offer you various stand sizes, various equipment alternatives, and stand setup and dismantling is included!

Combination packages

Sophisticated, affordable and with a personal touch—"all in one": Stand space and stands including setup. Please keep in mind that the sooner you decide and the earlier you book your stand, the better your chances of getting the location of your choice.
